Rites of Memory/Rites of Healing

A Multimedia Performance
by Internationally Exhibited Artist
Debora Barrera Pontillo

"... hauntingly beautiful"...
"unforgettable power"...
"hypnotically beautiful and
historically confrontational"...
"the commanding grace of your
measured gestures were stunning...
"I will never forget it."

Rites of Memory /Rites of Healing is a beautiful and hypnotic tapestry of contemporary dance theater that uses sound, movement and video images to release primordial memory and wisdom that lays dormant beneath our surface, waiting for germination. This performance speaks to the beauty, power and healing of the heart and spirit.
